Calgarians, you want to live somewhere that matches your lifestyle.

Well, there's good news – now you can.

For the very first time, cosmopolitan-inspired condos are coming to Calgary and they'll be located right the trendy Connaught/Beltline neighbourhood. This highly-anticipated new development, 6th And Tenth, is taking living in Calgary to an entirely new level.

Developed by Toronto condo expert Brad Lamb, the seamless exterior of the 31-storey building, the interior, and the ambiance – it all screams sophistication. And you'll be able to check out the very first show suites in the coming weeks.

Until then, we've compiled a list of reasons why 6th And Tenth is one of the hottest places you can live in Calgary.

Condo size options

You don't have to compromise on the size of your living space at 6th And Tenth – rather, you get to choose. And there are four different sized condos available to suit your needs.

- One bedroom suites range from 449 sq ft to 534 sq ft
- One bedroom + den suites range from 615 sq ft to 669 sq ft
- Two bedroom suites range from 768 sq ft to 825 sq ft
- Two bedroom + den suites start at 941 sq ft
- Penthouse suites start at 1,250 sq ft

Pool and patio

Yes, living at 6th And Tenth means that you have shared access to this slick outdoor pool and patio. Just moments from your doorstep, summer days will be your favourite here.

Plenty of transit options

Living here you'll be very close to the 7th Ave C-Train and many other bus stops in the area. And if you work downtown, you can easily walk to

the office core.

Fresh aesthetic

Contemporary design is at the heart of this development and it even spills out on the sidewalks as the developers are pushing them back to create a safe, pedestrian-friendly atmosphere.

Access to a private lounge

Relaxing at 6th And Tenth doesn't have to mean leaving the building. You can retreat to the private owners lounge and soak up sunshine on the patio or read a book inside – the choice is yours.

Awesome amenities

Living downtown on 10th Avenue also means you have a wealth of high-quality restaurants and bars within walking distance. With the Craft Beer Market, Common Wealth Bar & Stage, Globe Cinema, and National on 10th, you don't even need to cross streets to have fun.

Oh, and there's a Marriot Hotel scheduled to be built in the area too, so you know that means another great rooftop cocktail bar, restaurant, and spa.
